The Care Bear Cousins represent everything a person can do and be once they learn how to care and show their feelings. They show what a person can accomplish by putting all their good feelings into action. Each Care Bear Cousin represents one of a full range of action-oriented human traits brought to its very best by the optimism and good feelings of a caring heart. Like the Care Bears, all the Care Bear Cousins wear a symbol on their tummies. Every Care Bear Cousin symbol has a heart incorporated into its design that fittingly represents their common heritage of caring. Each symbol also contains some feature that illustrates the trait which that particular Care Bear Cousin represents. The heart with a crown that Brave Heart Lion™ wears on his tummy, for example, symbolizes the bravery and leadership that he puts into action to help others.

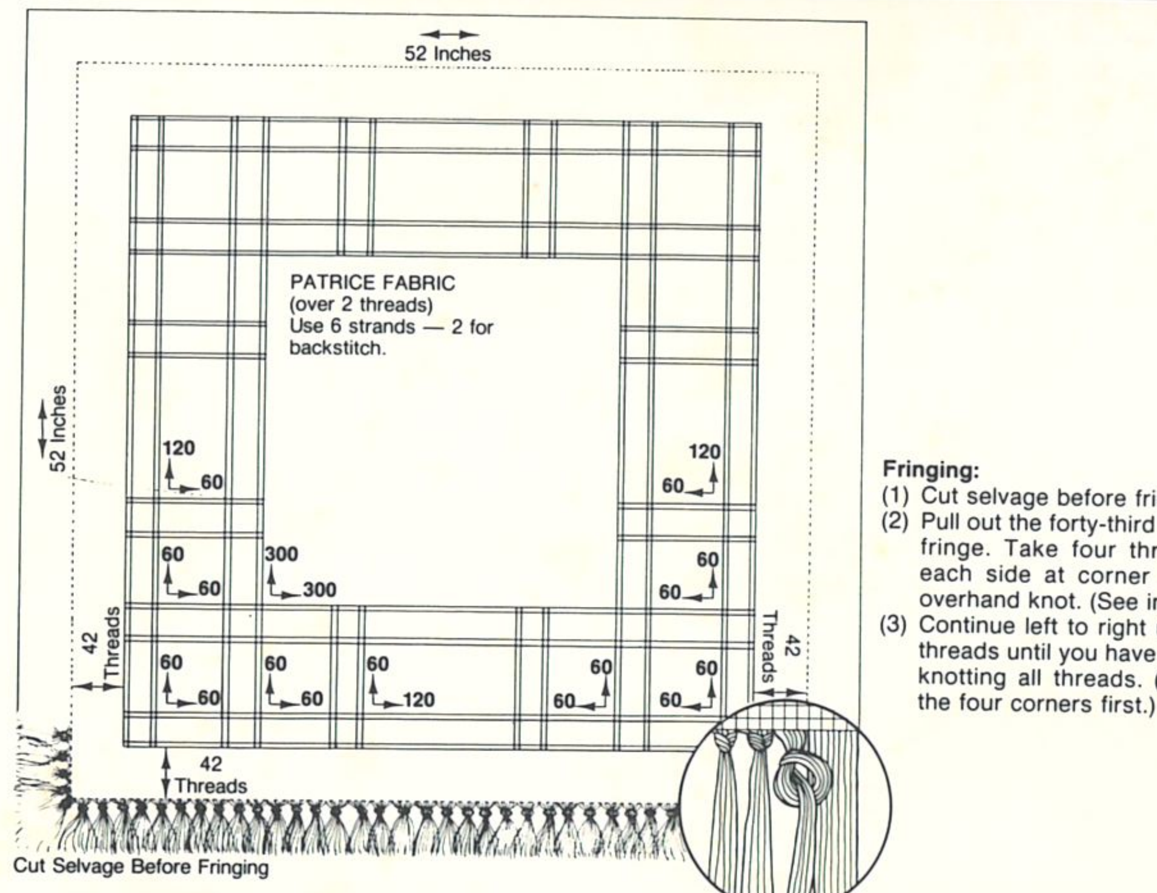
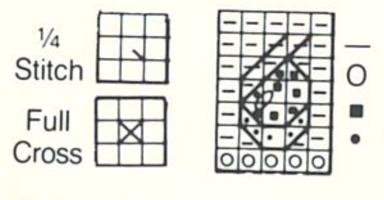
SPECIAL INSTRUCTIONS • SPECIAL INSTRUCTIONS • SPECIAL INSTRUCTIONS



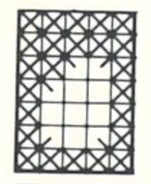
Fringing:
(1) Cut selvage before fringing.
(2) Pull out the forty-third thread and fringe. Take four threads from each side at corner and make overhand knot. (See insert.)
(3) Continue left to right using eight threads until you have completed knotting all threads. (Hint: Knot the four corners first.)

¼ STITCH

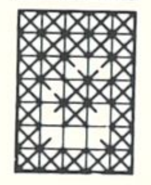
To capture detail in our designs, we are calling out the combination halfstitch, as shown. The sample below is an illustration of an eye. Stitch this sample on 14 Aida and you will become aware of why we are able to capture the detail that makes our designs more life-like.



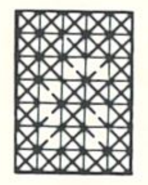
—	754	Peach Flesh-Lt.
O	353	Peach Flesh
■	931	Antique Blue
•	White	
	433	Brown-Med.



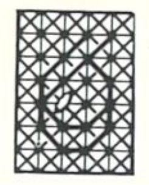
1. Work the flesh marked O and — making ¼ stitches where shown. There are five.



2. Work the dark stitches marked ■ making ¼ stitches where shown. There are five.



3. Work the white of the eye marked • making ¼ stitches where shown. There are four.

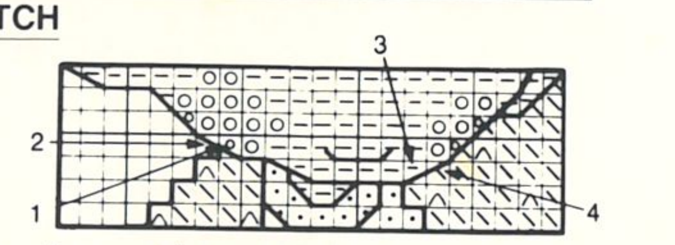


4. The backstitching in brown will complete the full cross stitch. A little white stitch is added to eye where marked *0* for a highlight.

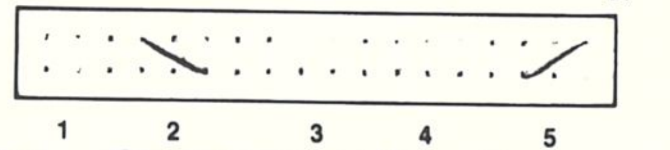
SYMBOL WITH BACKSTITCH

Whenever there is a backstitch over one square and only one symbol in that square, you make a full cross stitch in that square.

¾ STITCH



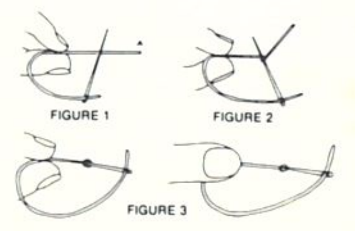
To make our characters look more life-like, we have developed a technique to give the bodies a more rounded appearance when stitching across 2 squares (vertically or horizontally).



Step 1 — *(See illustration #1.)* Make a ¾ stitch in color indicated by symbol (O).
Step 2 — *(See illustration #2.)* The backstitch will give the rounded look without a stitch in the square.
Step 3 — *(See illustration #3.)* Make a ¾ stitch in color indicated by symbol (—).
Step 4 — *(see illustration #4.)* Make a ¾ stitch in color indicated by symbol (\).
Step 5 — *(See illustration #5.)* The backstitch will give the rounded look without completely filling in a square.

FRENCH KNOT

(Using 1 strand of Floss)



1. Come up through fabric at point A. *(Figure 1)*
2. Hold floss in your left hand. Lay your needle over floss and **wrap floss 3 times** going clockwise. *(Figure 2)*
3. Keep holding floss securely with left hand and insert needle near point A (**not** in same hole). With floss still in your left hand (to help guide floss) pull your needle through to the back of your fabric. *(Figure 3)*
